

# GRADUATE STUDENT Comments

“In AMDT, there are many courses for students to choose from. The availability of the courses provides the opportunity to study things you are really passionate about and things you think would be relevant to your future career.”

**Dong Yang**  
MA AMT 2008

“Graduate school was an experience of a lifetime! The faculty in AMDT assisted me in every aspect along the way to create a program of scholarship that allowed me to research what I was most passionate about.”

**Mary Pedersen**  
MA AMT 2004

“Faculty of AMDT support students in identifying a research goal and provide various opportunities for developing scholarship in that area.”

**Hee Jae Jin**  
Current graduate student

“The AMDT graduate program gave me a chance to explore a new dimension of apparel. It's beyond the sum of all the books that I have read. It is a project that will allow for intellectual growth.”

**He (Siro) Lin**  
Current graduate student
